Aims and scope

Arts and Social Sciences journal aims to become a leading international peer-reviewed academic journal, publishing high quality research and analysis on all aspects of arts, humanities and social sciences. It is published by European Academy of Applied and Social Sciences (Euraass), France. The journal aims to publish the research work in any subject area related to Archaeology and museum studies, architecture and history of art, civics, criminology, cultural studies, demography, development studies, economics, education, fine arts, gender studies, geography, health and physical education, history, human evolutionary studies, international relations, journalism and media studies, land management, law, library and information science, linguistics (all language studies), media technology, music, culture and arts, philosophy, political science, regional studies, religious studies, social work, sociology, sports sciences, tourism, leisure and hospitality, transportation, urban and rural geography and women studies.

Besides these research areas, the research work on other topics related to Arts, Humanities and Social Sciences is also welcome to be submitted for publication in this journal.

For further details and information about this journal, write us on the address given below or contact by sending email to Managing Editor (managing-editor@eurass.com) or Editor-in-Chief (editor-ass@eurass.com).
